Course Lecturer

Shaikh Abu Khadeejah Abdul-Wāhid.

May Allāh reward you, and we thank you for your enquiry.

The Course

The **Living as a Muslim in Today's World** course has

been designed to develop students' knowledge and understanding of Islam in historical and contemporary contexts through a range of key topics and the teachings found in the Qur'an and Hadīth. It will enable students to develop their skills of analysis and interpretation in the context of questions and issues that affect Islam and the lives of Muslims today. And there'll be time to ask Abu Khadeejah questions related to contemporary issues related to Muslims living in the West.

This is a basic level course suitable for male students of age 9+ and especially those new to Islam, or new to practicing Islam. It may also serve as an excellent foundation for those who wish to take the iGCSE or A-Level Islamic Studies course in the future.

The course content has been created by **Shaikh Abu Khadeejah ‘Abdul-Wāhid** and includes 100+ lessons with new content being added weekly—and all praise is for Allāh, may Allāh bless it.

This 60-minute class will take place on the weekend (Saturdays) to benefit those busy at school, college, or work during the week. The time of the lesson has been set to suit as many time zones as possible, *inshā’-Allāh*.

The cost of each weekly class is £12.50. This includes homework for those who choose to do it (it is not mandatory). Two or more from the same immediate family are discounted at £10 for each family member. Payments are taken three months in advance, and places are limited to 25 students only. Any applications thereafter will be placed on a waiting list and will be offered a place as soon as one becomes available.

Course Duration

The course will be delivered as a 1-hour per week lesson, with holidays as arranged by Abu Khadeejah. This 1-hour class will take place on Saturdays 12pm to 1pm BST, UK time.¹ The time of the lesson has been set to suit as many time zones as

¹ Timings may be altered at the lecturer’s discretion with one month’s notice. Note that a class may be cancelled with 24-hour notice (and less in cases of emergency) without any cost to pupils—and the lesson made up over subsequent weeks. You will not be charged for lessons that are not delivered.
